

Locking and folding knives

Utility knives

Quick-change blade-replacement system, no tools required, one-hand easy opening & closing. Folds to a compact size to fit in a pocket and also includes a stainless steel belt clip for easy access. Three handle styles to choose from, aluminum, wood inlay & composite plastic. These handy knives accept all standard utility blades.

1 Quick blade change mechanism

Lever for safe locking of blades. This mechanism permits a quick and easy blade change.

2 Soft thumb pad

Soft plastic thumb pad allows maximum pressure.

3 Storage compartment

Safe storage of spare blades so they are always quickly accessible. Comes standard with 5 extra blades.

4 Spring blade release lever

It needs just a short push on the metal release lever to unlock the knife so that it can be safely folded.

Folding utility knife – ABS comfort grip handle

Includes folding and locking blade with belt-clip; thumb cushion for maximum contact pressure; replacement blade compartment and 5 extra blades.
