**BESSEY CLASSIC
SPECIAL EDITION
MADE IN GERMANY**

To mark our 135th anniversary, we have developed and produced this very special malleable cast iron clamp in Bietigheim-Bissingen, Germany. Both the upper and lower parts have a special design. They are also characterised by a wooden handle with our anniversary print. Each clamp stands for the BESSEY quality that has been valued for decades. It combines components from Germany and Spain to create a real collector's item!
